The Price Is Right® Cleopatra® Enhanced Video Slots

Game Play Features

- Base game play features 5-reel, 25-line action with symbols that are straight out of ancient Egypt
- Single-coin or multi-denomination game play (where approved)
- Available in a 500-credit maximum bet version
- The *Cleopatra*® symbol matches any other symbol except the Sphinx symbol and doubles the award when part of a winning combination (except the top award)
- The Sphinx symbol functions as a scatter pay and bonus initiator
- Scatter pays may be awarded during the bonus or regular game play
- Compatible with ticket-in/ticket-out technology, including the EZ Pay® Ticket System

Free Spins Bonus

- Initiated when 3, 4, or 5 Sphinx symbols land in any position on the reels
- Credits are awarded for the initiating scatter pay symbols and any additional credits won during the free spins bonus
- Players choose an on-screen symbol to reveal the number of free spins earned
- Free spins play automatically at the same bet and number of lines as the initiating game
- Free spins feature a different set of reel symbols with increased payback percentages
- All wins are multiplied by 3
- Additional free spins may be won during the bonus
- The Free Spin bonus ends when no free spins remain

The Price Is Right® Fort Knox® Mystery Progressives

- Features mystery bonusing through four progressive jackpots that are interactive bonuses – not just awards
- When the progressive is triggered, the player is guaranteed a minimum first-level “Copper” win with a chance of advancing to successive levels
- Players choose from a grid of dollar sign tiles which reveal points that could take them to the next jackpot level
- Successive jackpots create player anticipation as they move through four levels: Copper, Silver, Gold, and Platinum
- Bells ring when a player enters *The Price Is Right*® *Fort Knox*® Mystery Progressives bonus, plus multi-media signage synchronized to bonus events
